“ Adelaide was my nurse when our son, Patrick, was born December 22, 1968. The Asian Flu was rampant in Richland County at that time and the hospital was closed to visitors. We were new in town and Christmas Day was a sad and lonely time for me. Adelaide contacted my husband and told him she would see to it that he and our two preschoolers could visit. She escorted me in a wheelchair down the back way to the hospital library where my husband and children were waiting. It made my Christmas a very special one due to a caring and compassionate nurse who "bent the rules" for a young family We will always remember her kindness. Rest in peace, dear lady!

“ I think your mom was the nurse on duty in 1971, when my son was born--delivered by her. I am eternally grateful to her, because she didn't force me to wait. He was born during deer hunting season, and the doctor wasn't available. She was WONDERFUL!
My sympathy to all.

“ I am so sorry for your loss! I know my mother and father have openly welcomed her to heaven. During my mom’s loss of dad and then her terminal illness diagnosis your mother provided my visits and phone conversations!! These greatly helped my mom during the last 13 months plus the continued friendship over many years! She also reached out to me several times! I know she now is at peace and rejoined with family and friends! My sincere sympathy!! Prayers!!

“ Our deepest sympathy on the loss of your Mother Adelaide. We have such great memories of seeing her and Wayne on our visits back to Wisconsin when we would be visiting our parents Mike and Doris Honer. Our two daughters always loved seeing all their horses. Wayne and Adie were always such gracious hosts in showing us all the barns and letting our girls take a ride on the horses. Our thoughts and prayers are with you all at this difficult time. May she rest in peace.

“ I loved Adelaide as a friend and mentor. She not only raised a family, but many new nursing graduates came under her wing. She was such a good Christian woman, and devoted Mother. I enjoyed her optimistic approach to every thing and every one! Her warm smile and beautiful outlook on life will never be forgotten!. She was so proud of her Irish heritage and hard work that she always seemed to enjoy. The horses, the cattle and the most precious of all her husband and children.
Goodbye my Irish Friend. I will miss you!
