“ Annette "Ziggy" welcomed me with open arms right away...I met her at Jim and Nettie's home one beautiful summer day. She was just like family, so easy to talk to....Ziggy now there will be no more suffering...as I believe you are now flying with God's Angels. You will be sorely missed my friend...love Lee Anne

“ Our family wants to express our heartfelt sympathy to Annette's family at this sad time. She was a neighbor as a teenager and best friend of my daughter, Annette. She was always "Zeggie" to us! My daughter has remained friends with her and helped her get settled in a nice little apartment in Boscobel. I was so happy to spend a wonderful day with Zeggie in October. All of us were blessed by her love and may she rest in peace.

*Thank you Margie. I can never thank you enough for how much you, Alicia and especially your daughter Annette helped my sister. You all gave to her so freely. I'm glad she had you to help make the last couple years of her life so nice. Love, Trish*

*I grew up on 5505 Marsha Dr next to Annette's family. I knew Billy, Lolita, Daniel, Annette and Michael. Due to our age difference I never got to know Annette as much as the older children, but she was a part our lives growing up. Annette was the same age as my youngest brother Bruce. My mother previously known as Annette Gartman remembers your Annette very well and said she was a beautiful child. Even though we've lost connections over the years we're very saddened by her passing. Much love,*
