“ To All the Wastlick and Patten family, it is with such sadness when i heard of Aunt Betty passing away. I have such good memories of Aunt Betty and Frank and all of you crazy kids, Kenny,Larry, Frank Jr and Karen, we all had so much fun everytime we came to the farm, riding the horses, going through the salvage yard, going after that squeaky cheese that everyone always loved and most of all that good home cooking that only Aunt Betty could do, even though miles have separated us and we are all grown now,, when we do get together it seems like time has stood still, these are the memories i will always hold dear. I will miss Aunt Betty very much but am so glad i got to know her for so many years, and i am glad all you were with her at the end and that she got to see Timmy, how sweet that was.
