“ Mike and David we have a lot of great memories together with a lot of laughter. Bonnie will be missed so much by so many. I have always enjoyed visiting with Bonnie. Every time we would visit she would tell me all about her grandchildren, where they live and what they were doing. Anything to brag about them because it made her heart smile. She always lit up when she spoke of them. The last time I see her she told me about the "Easter Bunny" coming to her door. Bonnie's laughter is something I will never forget. Oh... Dave her side kick they way you two took care of each other is true compassion and love. Each and everyone of you have my sympathy.
