“ Brandon was the best role model for me and my cousins. He was always wise and never let us sit around. He would beg us to go outside and do something. He always wanted us to try different stuff. He told me to try tubing so i did and it was so fun. The best part was when he flipped the tube. Whenever he stayed at my house he would always ask to eat French Toast with peanut butter. I never tried it until a couple days ago and i wish he would of tried it with me. We will never forget you you Brandon and your beautiful smile. We will never forget the amazing things you taught us like trying new stuff and being outside with family is way more fun than playing on electronics. I love you Brandon, See you soon.

“ Scott and family, I am so sorry that you have lost a precious member of your family. As a parent there is really nothing harder than to be where you are today. Words cannot express how sad we are for everyone in your family but try to take some solace, that God has a plan for everyone, even Brandon now. Remember the joy and good times you shared, and come closer together as a family and keep precious every day. When the times get tough, pray to God for peace and ask Him the why's and why not's, then ask Him for calming through this storm. God loves us all and He feels our suffering. Blessed be each and everyone in your family, you are now and will continue to be in our thoughts, our prayers.

“ Last night we held our Remembrance Service for the loved ones we have lost. To symbolize the remembrance we each wrote a name on a Christmas ornament & placed it on a special Christmas tree just for those we love. Brandon's name was placed on one of those ornaments last night & will be remembered every Sunday in our church.

We prayed for your family & relief from the heartache you deeply share as a family. Grieving is a process we all do differently. You will be in our prayers in the days ahead. My family experienced a loss such as this so I understand some of your pain. Brandon will never be forgotten. Pastor Mark Phillips - La Farge Free Methodist Church

“ *What shock we felt when we heard the awful news that God had taken our Brandon. We thank God that we were able to be with Brandon and all on Thanksgiving and for our last hug goodbye. We can't imagine the pain you are going through Jeanna, Scott, Allyssa and Chris but know that the pain does get bearable over time. One never forgets nor would you want to forget all the wonderful memories shared over the last 18 years. Keep those memories in your heart, mind and soul and these along with prayers will help get you through this. We all loved Brandon and wanted him to stay in our lives but God had other plans. We will always ask "WHY" and only He knows the plan for each of us. We love you, Brandon, and will miss you terribly. The entire Lorenz family is in our thoughts and prayers.*

“ *The memory of Brandon we hold with great pride is his performance and that of his teammates when they won the Track Conference Championship last May. We cannot explain what inspirational performances he and his teammates gave to finally give our school a conference championship that had eluded us for 40 years. Brandon and his team gave every ounce of effort they could to place or to win. We are PROUD, to the point of tears. Thankyou Brandon. Thankyou teammates. Thankyou Brandon's parents. “ Scott, Jeanna, and Allyssa,

I remember so well, the bright-eyed little boy who spent one short school year with me. He was one of a group of three close friends (musketeers) I had that year. What a bright, fun loving little group they were. They truly loved each others company and friendship. Brandon was a student any teacher would love to have in his/her classroom. He was studious, polite, friendly, and fun. He was also an amazing little athlete. I recall basketball being a real passion for which he possessed great skill--even at this tender age. Likewise, I think back to his fondness for attending professional sporting events with his family. What fond memories you must have of these times and events.

Scott and Jeanna, I feel so deeply sorry for what you are going through and I just want to thank you for sharing your very special son, Brandon, with me.

It was an honor to have been one of his teachers and one of the cast of characters, in a life story, that ended way way too soon.

“ Jenna, Scott, Alyssa & family

There are no words, just know that we are here for you and yours with our prayers, love, and support at this so very sad time of the loss of your dear Brandon. His infectious smile has always stood out to me from when he was a little boy on and though I did not see him often, whenever I did see him he was with you "Jeanna" and I remember always making conversation with him and he brought out that smile from behind those shy big eyes and I always remember having a sense of such goodness flowing from him. I am at such a loss of what to say, I know as I said there are no words to take this kind of pain away, so I will share a poem that may be something to hang on to as if Brandon would say them to his loved ones left behind.

AFTER GLOW

I'D LIKE THE MEMORY OF ME TO BE A HAPPY ONE

I'D LIKE TO LEAVE AN AFTER GLOW OF SMILES WHEN LIFE IS DONE

I'D LIKE TO LEAVE AN ECHO WHISPERING SOFTLY DOWN THE WAYS

OF HAPPY TIMES AND LAUGHING TIMES AND BRIGHT SUNNY DAYS

I'D LIKE THE TEARS OF THOSE WHO GRIEVE TO DRY BEFORE THE SUN

OF HAPPY MEMORIES THAT I LEAVE WHEN LIFE IS DONE

“ Dear Scott, Jeanna and Alyssa,

We want you to know how much we are thinking about you all right now. Brandon's memory will always be remembered so wonderfully. He was truly a remarkable young man. He had so many talents that he shared with us all. That Smile, with those adoring dimples, is such a trademark, that he had. His caring spirit and funny sense of humor made him a guy you felt like you could always talk to, no matter where or what you were doing! Thanks Brandon for all the great memories! May God envelope you all and help you from this day forth. Please know that there are SO many people that are thinking of you and praying for each one of you.

God Bless you always,

“ We are so sorry for the loss of your handsome Brandon and our thoughts and prayers are with you. The death of a child at any age is the most difficult thing a parent can go through, as we learned when Justin passed. Hold on to the wonderful memories. Sending much love to you all.
