

Bryce Ewing

July 9, 1928 - March 25, 2014

Bryce Ewing, age 85, of Gotham died Tuesday, March 25, 2014 at Golden Living in Muscodia. Bryce was born on July 9, 1928 in Boaz, WI the son of Vere & Lola Grace (Lyman) Ewing. He married Shirley Larson on May 30, 1954 in Windom, Minnesota. Bryce was honored to serve in the United States Air Force during the Korean War.

He was known as "Kingfisher", building custom fishing rods, and was an avid fisherman. He enjoyed storytelling, bowling, softball, and supporting the Ithaca School fundraisers. He worked many years as a salesman in the agricultural field. Bryce founded Land of the Eagles mission and operated it for several of his retirement years. It was his way of giving "back". In this mission he and several other locals delivered thousands of items to Indian reservations in South Dakota and in northern Wisconsin. Anything from cheese, winter boots, jackets, blankets, fishing rods and reels, furniture and an open mind to be welcomed on reservations earning trust and creating lasting friendships.

Lands' End and Lacrosse Boots as well as many other companies, local churches and individuals donated thousands of dollars' worth of items that he and his friends distributed. The mission was his dream and passion fulfilled in his retirement years. Building custom fishing rods was another dream fulfilled in his later work years on into retirement. He was glad to custom craft any rod for any person and later trained others to continue his efforts.

A lot was said with his handshake. He enjoyed meeting people and hearing

their story. But they would have to hear one of his in return.

Survivors include his wife Shirley Ewing of Gotham; 5 children, Brenda (Dean) Litchfield of Barneveld, J.W. (Annie) Ewing of ... “ My condolences to the family. My children remember Mr. Ewing as the candy man , as for many years in Gotham he would pass out suckers to the children. All the kids new his feed truck. He always had a kind smile.

“ Sorry to read of Bryce's passing. We're remembering days when our kids (Monty and Becky) were at RCHS and we were attending many of the same events. We're also recalling how Bryce came and relieved us of many rods and reels which would have otherwise gone to the dump. Thanks to him for that. May he rest in peace.

“ My wife and I have fond memories of Bryce. I well remember tooling around in his yellow Chevy convertible (with a rumble seat) during our high school days.

“ Shirley, Kris, and family....
Our thoughts and prayers are with you during this difficult time.
We met Bryce through church....always had candy for the kids and
was
so passionate about the Land of the Eagles mission. Always had
a smile and a handshake where ever we ran into him....a thoughtful
man....may he rest in peace.

“ Shirley and family,

So sorry to hear of the passing of Bryce, there are many memories
of him and your wonderful family. I remember the talks throughout
the years, the visits with our family from the time i was a young girl.
Bryce always had a smile and friendly conversation. He was a great
friend, neighbor to our family from my parents, my siblings and
myself and my children.

“ My favorite memory of Uncle Bryce involves a family softball game.
I was pretty little but old enough to play. Uncle Bryce was on my
team (to make it even with the older cousins). I hit the ball and got
on first base. Uncle Bryce was up next. He hit the ball hard and I
started running to second. Before I could even get there, he caught
up to me and picked me up and ran the rest of the bases with me in
his arms, resulting in 2 runs for our team...much to the protest of the
other team. But he insisted that we didn't break any rules because
we both crossed home plate...end of discussion!
