“ So sorry for the loss to all of Carl's family. I know how much you will all miss him. I mostly missed him when they sold the home next to my parents and moved to town. Having Carl and Joyce there was like having family living there again. I never worried about my parents being alone when they were still in their home. He watched over them!  
May God Bless you Carl as you are now in his tender loving care.

“ *Carl was a wonderful person. He was always cheerful and delighted to greet people.  
I will never forget the summer we took our family to Washington D.C. We were on a tour bus and I felt a tap on my shoulder - it was Carl. He told me it was a small world and we chatted about sites in D.C and Richland County. He reminded me of that story whenever we met over the years. I will miss his smiling face at the Lutefisk dinner..*
