“ As Resident Manager of the Richland Center, WI Park Hotel Senior Apartments for three years, I became well acquainted with Carol who was one of the building residents and with her family members - son Richard "Tom " Vance and her brother and sister in law- Vernon and Gloria Geishert..
Although Carol endured some ongoing physical challenges/limitations and related health issues, she never openly complained or spoke negatively regarding her situation. She faced her circumstances in an accepting and strong manner. She was always friendly, kind, positive, and supportive toward me and the other residents. She always presented a very gracious, nice, caring and strong manner and attitude toward others .Myself and the other residents genuinely liked and enjoyed/supported Carol and will miss her friendship and positive lessons and presence. It was my pleasure to know, support and serve her during our time together. Wishing her eternal peace as she rests forever in the comfort of the Lord's hands..
May the grief of her passing be brief and the memories of her life be long.
