“ Cheryl & Family,  
We were so sorry to hear about Chucks passing. I worked daily with Chuck, as we both worked for the Forest Preserve. I lived at Black Hawk in South Elgin, and you folks lived at the Charlie Severson property in Valley View. Chuck always had a heart of gold, and helped anyone out who needed it. There is no doubt he is now at peace with his lord and savior, and I'm sure he will have a seat at the table ready for us when we arrive.  
God Bless you and your family.

“ We were sorry to hear of Chuck's passing. I worked with Chuck at the Kane County Forest Preserve District years ago. Chuck was always ready to help, no matter what the situation. I recall one time when Chuck rescued our young son from a dumpster he had climbed into to join a raccoon that he had seen go in. He will be missed. Our condolences to Cheryl and the rest of the family.

“ I had the honor of being ,Chuck's friend and Pastor for about 12 years. We had some great adventures together. We made some code 3 runs when he was the Chief of Police at Valley View. I went with him and kept the truck running when he was running his trap line. Chuck was always there to help anyone he could in any way. He often called me in recent years just to catch up and bring me up to date. I respected Chuck for his love of Christ his character and his courage. I will miss him until we meet again in Glory.
