“ I'll never forget the first time we met, I got the cab-over semi stuck in the Culvert on our property next to County O. I called Wilford Marshall and he brought over his Farmall and Charlie came over on his little tractor. I swear I heard Charlie laughing about this all the way from the farm on county O to our place. Wilford and Charlie hooked up the chains to the semi and pulled me out. It was a great day to meet two wonderful neighbors that worked so hard to get me out of the ditch. I/we miss both of them. “ I met Charlie about a year ago. He and Jonna were on our bus for our trip to Ireland. He was such a fun loving guy .... I remember at our Medieval Dinner Charlie volunteered to help out the cast of singers and actor/ actresses, he was the accused (All in Fun) and the audience had to decide what would be done with him for his crime.... the dungeon... then he had to sing a song... the song he sang was "Amazing Grace" I hear it now watching how well he was accepted and his "debt" was paid... whenever I hear that song I will remember him and his kind smile... grinning ear to ear and bowing in thanks to all of us present .... cheering him on after his song.... and being set free....Donna McIntyre along with my 3 sisters on the trip.... God Bless you "Charlie" and your family and friends. Donna McIntyre

“ *Charlie was always a joy to talk to, had a wonderful infectious enthusiasm and laugh that was young at heart. Worked with him at Rockwell, a very dedicated worker. He always waved when we saw him outdoors working on his property, will miss seeing our waving neighbor.*
