“ Cherie, you were a good Sister. I was going to write you a letter a few weeks ago, but I never had the chance, so here it goes.

Thank you for dressing me up pretty, so often, when I was a little girl. I had wonderful times staying over night with you, after you got married. It was always so special, and lots of fun. Thank you for your support of me when I had to go to Madison for a test. I was frightened, and you were very comforting. Thanks for making our Christmas activities so much fun, and the great gifts. This is just to name some, but I wanted to say thank you, I do remember.

I was so looking forward to the years ahead, with you as my big sister.

I will never forget the last words we spoke to each other. I told you I loved you, and you told me back. I am so grateful for that.

You were an amazing person. You had so many talents, and skills that I have never had.

I love and miss you. May you rest in peace.

*Sincerely, With love,
Your little sister, Lori*

“ Cherie was a wonderful daughter. She has always been such a good person, who was kind, helpful, and friendly to everyone she saw.

She was a great mother, and grandmother. Cherie loved entertaining her grandchildren doing crafts, making cookies, baking special birthday cakes, and decorating the house.

Cherie left us way to soon. I will miss her terribly.
Love, Mom

“ Cheryl (Cherie) was such a valued part of our early years on Melancthon Creek. Many evenings we spent playing as our parents visited each other. Good kid who grow up to be a great lady. We were all privileged to have her as a part of our lives. May she rest in peace and you all remember the times and love you shared. Her kindness lives on in her kids and grandkids.

“Cherie, was a beautiful daughter, sister, wife, mother, friend and human being who seemed to love all of God's creation and enjoy every minute of life especially with Ron and her kids/grandkids. She served the LORD wherever she was throughout her community; and her kindness and bright smile always encouraged me.

I am married to Jim McNelly one of Cherie's cousins and first met Cherie when she was about 15 years old.

I can still remember her running out the front door, stopping looking somewhat shy with her blond hair and beautiful blue eyes not quite knowing what to say to her cousin driving up with a girl in the car.

Well, it did not take long and she volunteered to take me for a beautiful walk and a swim across the road in a beautiful small pond. She proudly showed me her mom's gorgeous flower gardens and around the farm. Over the years periodically sharing recipes and old family stories and the joys and struggles of family life, but always with HOPE and LOVE in her HEART and VOICE. And the most beautiful, contagious smile with twinkling blue eyes that belonged to Cherie.

I am very glad that I had an opportunity to meet and occasionally spend time with Cherie.

It is my prayer that her family will continue to remember what she shared with all of them and how she loved all of you very much.
