“ Living on LaValle St next door, Herb & I spent a few years watching Chris grow up. She was a cutey in her pig tails, riding her bike up & down the sidewalk. Probably one of the last times we saw much of Chris was her graduation party while living in Caz. The pictures of her are wonderful to see. What a strong person she was to raise her girls. It looks like she did a good job and was very close to them. Our condolences and prayers are with you all.

“ Chris was an amazing woman. I don't know that I have ever met someone as dedicated to her children, their activities, her community and her job. I am thankful that I was able to get to know her and that she allowed me to be a part of her daughter's lives. Her girls, the most important people in her life. Chris you raised some beautiful, smart, funny girls and they will continue to make you proud. I will always remember Talisa's Junior Prom and Fred's "overloaded" Trail Blazer filled with 4 girls in their prom dresses headed to Madison for dinner. We laughed so much that night. Thank you Chris for the memories and for giving this world 3 wonderful girls to carry on your legacy. Chelsie, Tanya, & Talisa-I love you! Continue to make mom proud!
