“ I had the pleasure of knowing her when she worked in the Shop Office at Rockwell. She always had kind words for everyone, a dear soft-spoken Lady. A few years ago she wanted river rocks removed from her property, and Andy and I were fortunate to pick up several pails for which they have a permanent location in our stream. We send prayers to the family and may she rest in Peace with her Son, Jerad.

“ I worked with Cyndi at Allen Bradley and she was a joy to work with. Had a soft heart and hard worker. No grass grew under her feet... unless you went to visit her and then she sat down and welcomed the time with you. She will be missed.

“ I had the pleasure of being on the church council with Cyndie. She was a soft spoken woman that had a brilliant mind. Cyndie was the type of person that you could not help but smile when in her company. Her soul will be missed here but not forgotten. May you rest in peace my friend.
