John 14:2-4

In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."

See you soon!

“ *Danny was one of my all time favorite students. I have so many Danny stories. He was always smiling and up to something. The world is diminished without him. We met Gretchen at their wedding and I am sure she will do fine. She is a strong one and we thought they were well matched. When the kids are old enough contact me and we can laugh together at Dannyisms.hwnF6*

“ *Danny was a very special person with a very big heart. He had a great sense of humor and could light up a room with his smile. He was well respected and well-liked by the staff at WPSD and the students who were lucky enough to get to know him. My thoughts and prayers go out to his family and friends.*

“ I first met Danny when he was in middle school. The first time I met him, he had a bag of M&Ms which he assured me were "good for you" because they had nuts in them, and he offered to share his snack with me. I will always remember his big smile and his willingness to help in any way he could. I am pleased he grew into a man people loved and respected. I am so sorry he will not see his children grow up. My condolences to his family.
