“ So sorry to hear of Darrel's passing. Remembering all of the days in Zimmerman and the days in Richland Center. Remember him telling Randy that the cows had legs shorter on one side so that they could stand on the hills.

Please know that we are thinking of all of you. Our doors are always open to you if you're in the area.

Love

“ Our sincere sympathy to Linda, Damon, Darrin, Jake, and their families.

It has been many years since your family attended Keyesville Church.

It seems like yesterday the boys were in high school. Now their children are out of school. The years fly by.

Remember all the good memories.

“ Larry and I were sorry to hear of Darrel's passing. Lynda, Damon, Darren and Jake and families, you all have our sympathy for the loss of your husband and father. It has been a few years since Damon and Darren went to school with Jeff and you lived up on the ridge. Also, since Jake rode around on the back of Kim's motorcycle. Remember the basketball games we all went to? We wish all of you the best in this time of sorrow. Larry and Carol Wanless
