“ *First let me say, I'm so sorry for your loss...wow...everyday is and was a gift. Good news is, we will see him again.*

My personal experience with David was one of pure appreciation and respect. I was an awkward kid that David always showed kindness to when we would visit. We played, drew together and went to the local swimming pool. He always looked out for me and our cousins when we were there. He was a large reason for my attempt to be a good artist actually...never worked out...:) He was very talented at drawing from what I recall, some of my first drawings were of Kung Fu items based on meeting him the very first time...:) I still think about him these days after all the years have passed...With a Man like David it does not surprise me that our Father has brought him home early. With his strength, charisma, intelligence and kindness he will make a great addition to the transition process.

I'm sorry for your loss in the immediate...but we all know, he is in the best place possible.

“ We are friends of Marlene and Sid and were so saddened to hear of Sid's nephew David's passing from ALS. Dean's Aunt Gloria goes to the Monroe United Methodist Church, so I am sure Gloria and Walt Flood were greatly blessed by David's music ministry there too. Please know that you are in our thoughts and prayers. David sounds like he was an exceptional person. Dean and Laura Flood

“ My thoughts and prayers are with David's family and friends. I was the music director for the worship team David was a part of at the Monroe UMC; David was also a friend. He always had a smile and uplifting words for us all and it was a joy to lead worship with David. May he rest in peace with his maker. God bless the memories of David, you will be missed, brother. ~ Sincerely, Danelle

“ Dated 3-23-2003 (One of David's birthdays)
A Blessing for my son David

I bless my son David, that he will walk in the ways of The Lord Jesus Christ, and that he will bless others with his demeanor of peace, love, mercy, tranquillity and generosity. I pray he will bless others through The Word of God and through musical ability. I pray that young and old will be drawn to his love for The Lord and his beautiful countenance. I bless David that he will prosper The Kingdom of God with his abilities and that he will prophecy to those who believe and speak in the tongues of men to his Lord Jesus Christ. I pray that David shall prosper financially and that he will find a Godly mate and that she will help him in his ministry and encourage and edify him in his endeavors. I pray for David to bless his son Zachary and speak nothing but good things into his life and that they will minister and worship The Lord together. David shall be a blessing to his earthly parents and his sister Heather. He will not forget his Father in Heaven and do mighty works for Him. I bless you David in the name of Jesus Christ and may His grace abound in your life forever! In the will of God the Almighty! Amen!

“ My thoughts and prayers go out to David's family. Dave and I had a lot of fun growing up in R.C. we lost contact when I moved to Monroe in 1979. How ironic that later in life David would end up in Monroe. RIP Dave you will be missed

“ You are in our thoughts and prayers. We knew Dave through the Monroe United Methodist Church. He enhanced our worship through his musical gifts; provided leadership and positive influence on our daughter; and always offered a smile and a positive message in every interaction in and out of church. We have been blessed to have known him.

“ I send my sympathy to David's family. It was a shock to us here in Monroe to hear of his passing. I work at Alphorn Ford which is in the same building as Gates Auto Body, so saw David daily while he was managing here. He also gave my then High school aged son a job detailing cars in the body shop. My son was very grateful for that opportunity. I am praying for comfort for the entire family as you mourn the loss of David.

“ My condolences to the Kelsey family on David's passing. I was a year ahead of David in school. I always admired his quirky and energetic presence. I always enjoyed his humorous commentary. The picture posted in his obituary, and the one from back in the day (the 80s!) capture David's essence.

“ My deepest sympathy to you, Bert and Maureen. To lose a child, no matter what age, is so incredibly painful. I knew Dave for a very brief time, but he left a strong impression on me. I won't forget him.

“ My condolences to the Kelsey family and his close friends. The Kelsey's were my family's next door neighbors for many years. Dave and I did what typical young boys of that time did: ride our bikes everywhere (sometimes down hills too steep for our skill), hiking in the woods behind Allison Park, bringing home the critters we found in the woods to our mom's, building tree forts all over the neighbor hood, listening to music and lighting fire works at the sand dunes above the old dump. Such simple but quality times in our youth.

“ *Maureen, Bert and Heather,*

My deepest condolences go out to you and your entire family. I had the privilege of meeting David and seeing him twice, but even though it was only two times those were enough to know that he was an awesome individual and I know he had to have been an amazing and loyal friend to so many.

Words are lost at a time like this and aren't adequate enough to even express to you how very sorry Vince, myself and our entire family is for your loss.

God bless you Maureen, Bert, Heather and all the family and friends of David. I pray for you for peace and comfort.

“ David and I were neighborhood friends, we played together as children, riding our bikes and just being kids. We lost touch as adults, but I never forgot his smile, and kept up with his life on social media. It is a sad time for all to say good-bye to David... my sincerest condolences to his family, and everyone who loved him.

“ David was special to me. We were science partners in freshman science. We lost touch for a few years but ended up camping next to each other at white mound in 2001. We have enjoyed many deep conversations about many topics. I will miss him. He and I prayed together last week I am thankful we had that time.
