“ We have been talking about how much fun Dave was. We got the biggest kick out of Dave & Diane's 30th birthday. He had so much fun and we all laughed so hard at his antics. We called him 'Batman' at work because when the bats came swooping down at us girls he would grab the broom and swat until he killed them.

What a guy! He will always be missed.

“ Each and every day, Dave had a smile on his face and I always looked forward to walking by both Noel and Dave each morning of work. They never let me get by without a word of some kind. Dave was a person who not only had a smile on his face but he had a kind heart and truly cared about everyone. Dave is missed by all of us who worked with him. My thoughts and prayers are with his friends and family.

“ I just want to say i will miss him. When i worked with him he always said hi Gina how are we doing with a nice smile which made me smile. He always had something to say usually comical that would make us laugh and made our day go by easier. I'm sorry i did not make it to the funeral i have a hard time saying goodbye. For you Justin i have never met you but your father will be so missed at work and i wish i could tell you it gets easier but it does a little, i lost my dad years ago from an accident and my heart still aches for him. Keeping the good memories alive makes it easier. I will really miss Dave's practical jokes. He came up with some good ones. Along with his buddy Noel .

“*Dave, Buddy, Gone to soon. So sad to hear that you have moved on my friend. Crazy how the memories come flashing back of times of riding bikes as kids, and how we went to our first Prom together. What a time that was! Your mom set us all up on a date with some Boscobel Girls, and we were still Freshman so we could not drive! LOL, what a wierd, fun, awkward time it was, but it was an awesome memory!*

Rest in peace my friend, and tell Mom hello for me!

“ Dear Uncle Dave,
I miss you already. You may have been my uncle, but you were also another father to me. You were my mom's twin, that special bond that only other twins would know and understand. With that bond, I felt a special bond with you too. You were one of the men I idolized growing up. You taught me many things that aren't going to be the same anymore. You taught me how to fish, love the Packers and Brewers, you took me to my first Brewer game with Justin. Though they lost, that was one of my fondest sports memories. You along with my father, Justin, and Uncle Mike taught me how to hunt and gut deer. Though I never got a deer myself, I always enjoyed going out hunting with you guys and seeing the "Deer slaying Dad" as Justin would say, bringing home a deer. Or the time at the fishing derby in Allison Park pond in Richland Center, where Justin got a nice bass and was running so fast his pants fell down and one of the officials said on the walkie talkie, " Justin Smith's pants just fell down, I repeat Justin Smith's pants fell down. There are many more memories of you and me over the years, but those two stick in my head the clearest and most memorable. I just want to say I love you and I miss you. You were a great uncle,man, and father.
I love you Uncle Dave,
Cristian

“ To David's Family,

My heart goes out to you in this time of sorrow. You are in my prayers and my church families. We didn't see each other much over the years, but there is a family bond, and in that's what we hold onto. I remember the excitement of the twins coming. But the age difference just never gave a chance to get to know each other the times my parents brought us up north. Dad always said you couldn't go any place more beautiful than Wisconsin and he was right . Your family has lived where theres awesome hills, fishing, and hunting. Mom feels bad that she isn't coming, but at ninty-one she feels it will be to much, so she sends her love. Love, Janet Fye

“ *There's not enough words to describe how sorry I am for your family at this time of sorrow. Dave had a smile that was like a ray of sunshine ,always took the time to say "Hi" and acknowledge others. You could not know a nicer guy,than David Smith. It was a pleasure to work with him at Allen Bradley and he will be missed by many! Treasure the memories made and knowing "God has a plan for us ,May "God surround your family with his enduring love and give you comfort and peace!! “ *To David Smith*

*Roses are red
Violets are blue
Your life is over
Now what do we do*

*You were our Friend
Brother and Dad
You left us here
And now we are all sad*

*We don't understand
What the plan me be
But God needed you
That we can see*

*He needed you
In a much bigger way
Than what you could do
Here on Earth each day*

*So go be with God
And watch over us all
Keep your family strong
And don't let them fall*

*They will need your help
And your guiding love
To grow and become all
That you want from above*

*We don't understand
Why you needed to go
To be by God's side
But we all do know*

*You are at peace
And we thank God for this
You were a blessing in our lives
And for that we have bliss!
We Love You David

“ I can remember when we were coming from Gays Mills to Richland
Center Dave was about 6 years old. We were at the intersection of
61 and 171. I was waiting for a car to go by and David said he
could've crossed the Hi-way before the car got by with his bicycle.

“ I am sending my condolences and my memory to Dave's children, family and friends. I remember when he would pick on me after my shift. My bad night turned into a great day after seeing him smile, whereas some were grumpy coming onto their shift. He will be sadly missed. I am glad to have been able to meet him at Schrieber Foods. He is in good hands with the lord. He was never a person to not pass on a friendly greeting when I finished my shift , whenever I saw him. He will be sadly missed at work. I knew him on a work level.

“ I am not gone
I remain here beside you
Just in a different form
Look for me in your heart
And there you will find me
in our love which forever lives on

In those moments when you feel alone
Look for me in your thoughts
And there you will find me
in sweet memories that burn strong

Every time a tear
Forms in your beautiful eyes
Look up to the heavens
And there you will see me
Smiling down from God's glorious skies
