“ R.I.P. Denny, I'm truly grateful to have gotten to be blessed to have had the opportunity to have gotten to meet you and share time with you in this life! What an incredible man heaven gamines as an angel! Please watch over your loved ones and help guide them through this pain and keep them together through their their grief! I guess no other words come to mind then, I guess heaven one was needing a hero, and that was you. With a heavy heart I say fly high you beautiful soul may you finally find peace from the suffering and rest you weary soul! So much love and prayers to your family!

“ God saw you getting tired A cure was not to be. So he put his arms around you And whispered, ""Come with Me.""  
With tearful eyes we watched you And saw you fade away. Although we loved you dearly We could not make you stay.  
A golden heart stopped beating Your tender hands at rest. God took you home to prove to us He only takes the best. Love you Dad always and forever to heaven and back
