“ Dennis allowed me the opportunity to hunt on his land with his brother Randy - he was a gracious host along with his wife Ceile, and I have so many memories of the time I was allowed to be there, hunting, cutting and stacking wood, and just enjoying his company.

“ It is with great sadness that I learned of Dennis's passing today. I had the pleasure of knowing and working with Dennis for many years and have happy memories of many laughable work situations we shared. And yes, I think he could fix anything !

My heartfelt condolences to his family.

“ Dear Dennis,
To my Brother who always faced life with an incredible attitude. I have learned more from you than you could ever know. The special times over the years included hours on the phone discussing weekly projects around the house and auto repair. In addition, many hours spent exchanging ideas on repairs and relying on each other's knowledge for solutions to tough projects. I will truly miss our conversations and your advice. Most cherished are the times we spent together for special holidays and working around your house. But what I will miss the most is your humor, a little dry but O so witty. God has taken you from us far too soon.

“ To all of Dennis's family, you have my deepest sympathy and I am truly sorry for your loss. I only have two memories of Dennis and one was camping up North and him taking us for a boat ride to one of the Island's and the other was of him coming to the motocross races and he would help to fix the bike. I am also truly sorry that 30 years has gone by without speaking. Again I am sorry for your loss.

“ I was very sad to hear that Dennis had left us. He was truly a great man, and had really helped foster my interest in becoming a mechanical engineer. The time we spent together was great, enlightening and fun. I don't think I would be pursuing the career I am without speaking with him about it. I will miss him greatly. May he no longer feel pain.

My thoughts and prayers go out to him and his family

“ Ceil--
So sorry to hear of Dennis' passing. He is now free of pain. He was a lucky man to have such an attentive wife. Nice that he was able to go to the last few car shows at Dairy Queen.
My prayers are with you and your family at this time.
