“ Oh, Don, I'm going to miss you.

Never have I met a man who worked harder, and complained less, than you. You were the essence of strength, goodness, and salt of the earth.

Now your good work is over. Your struggle has passed. You can be proud, and can rest in peace. I look forward to meeting again.

“ I was honored to announce the Charity Pull for Don. Before we started the pull, I asked Don and his family to come out to say some words. I only met him two or three times and I knew he was a very special person that people knew. When I seen him up to Viola, he thanked me for doing the announcing if the pull and other activities that was going on with it. To Don's family, you have my deepest sympathy. I know that he is probably sitting in a pulling vehicle seat ready to go down the track. Sincerely Ed Kinney.
