“ Donna was one cool lady. She was always there with a big smile for you and ready to listen. She was just a sweet person, very easy to be friends with. She had more energy than any of us and you could always hear her coming down the hall. I think she was a part of many groups of kids, she talked to everyone.

*I pray your celebration of life is as great as the one I gave my mom. It is way better than a funeral and a great time to share more lovely memories.*

*Love to Donna,

“ I was forwarded this information from another good friend and classmate of NCHS. I am so sorry to hear about Donna. I know she was not well and so tried to hook up with her on FB but she wouldn't respond much. Had great times with her during our high school years and she was always full of laughter. I will truly miss her and am so sorry for your loss. My prayers are being sent your way and for Donna, a dear, dear old friend. I am glad she was part of my life.

“ Although I hadn't seen Donna since our graduation in '67 I still fondly remember her beautiful smile. May our God of all goodness fill your hearts with wonderful memories of happy times. May the love of God and the peace of the Lord Jesus Christ bless and console you and gently wipe every tear from your eyes. Blessed are those who have died in the Lord; let them rest from their labors, for their good deeds go with them. Eternal rest grant unto her, O Lord and let perpetual light shine upon her. May she rest in peace. Amen.

“ We had the best times growing up and in high school. She was a wonderful friend. I remember doing her hair for the prom. She looked beautiful. She lived a block away from me and we were at each others house quite often. Donna had a lot of good friends. I have so many fond memories I will cherish forever. Love you Donna until we meet again Sandy
