

Elizabeth A. Randall

April 21, 1945 - February 22, 2013

Elizabeth "Beth" A. Randall, of Blue River, WI, left this life on Friday, February 22, 2013, ending her arduous battle with cancer. She was born on April 21, 1945 in Brawley, California. She married Ronald R. Randall on June 3, 1967 in Winterhaven, California.

Her works touched many and her sense of humor will be remembered fondly. She is survived by her adoring husband, Ron, four children, Bob, Renae, Rhonda, and Shannon, and nine grandchildren, Daniel, Justin, Joshua, Nicholas, Eric, Sherie, Brittanie, Shayla, and Megan.

The family extends their heartfelt gratitude to our friends and family who reached out to us with help and prayers during these difficult times. We also give our deepest appreciation to Grant County Hospice and all the staff at Boscobel Area Health Care/Hospital for the comfort and dignity that they provided. We cannot thank you enough.

Services will be held at a later date in Jacumba, California, where she will join her father, mother and brother in rest. In lieu of flowers, the family asks that any donations or memorials be given to Grant County Hospice, so that others may receive the same respectful and diligent care. The Clary Memorial Funeral Home in Richland Center, Wisconsin assisted the family with arrangements.

“ Dear Ron & Girls,
She was one of a kind and will be saddly missed, I guess Beth and I had a quiet understanding that not many understand. She taught me so much about caring for others- always more worried about others before herself no matter how she felt- you would never know it from her. Ron and Beth you have both been Very Special in my Heart and I am very honored to be a part of your family. I am so glad that her wings have flown her safely home where we all shall meet again. I am so glad you were all there to help her take her flight home and give her the comfort and Peace to do so!! You are all in my thoughts and Prayers- May you carry on all her traits and traditions!!! Love You All Blessings Dea Shimpach

“ I have fond memories of time spent with Uncle Ron and Aunt Beth in Descanso when I was a little girl. I remember going on the bus to school with Renae and Ron having to come pick me up and take me home because the teacher wouldn't let me stay!! The BEST memory had to be when Dad, Mom, David and I drove to California. Renae and I went shopping at the mall. Ron and the rest of the crew went fishing - AND brought their catch home - in the trunk of Beth's new car!! I will never forget that smell!! Uncle Ron, Renae, Rhonda, and Shannon, my thoughts and prayers are with you. Hold on to your memories.

With love,
Kelly
