

Ellen Ann Gochenaur Noehre

October 25, 1950 - February 8, 2024

Ellen Noehre, age 73, of Cazenovia, passed away peacefully on February 8, 2024 at home. Ellen was born on October 25, 1950, to Garold and Charlotte (Jean) Gochenaur. Ellen married Edwin Noehre on May 6, 1989.

Ellen has always had a close relationship with our Lord and Savior Jesus Christ and is now enjoying paradise with many family and friends.

Ellen was an excellent quilt maker, no pattern or color scheme was too complicated for Ellen to master. Ellen gave most of her creations away to children and families. Many of the children become attached to their quilt blanky and sleep with it every night. Ellen loved to grow flowers and vegetables and canned homemade soups, jellies, beef and all sorts of vegetables. Her favorite summer pastime was mowing grass; she got this skill from her mother who also loved to mow. Ellen was the best friend and caretaker for two doggies that simply love her. Each dog is 60 pounds and they both would settle down every evening on her lap until their bedtime. Ellen earned a Bachelor of Administration degree with an Accounting major from the University of Wisconsin and went on to become a highly skilled income tax and estate tax accountant. Ellen enjoyed traveling and lived in several locations including Madison, Minneapolis, Akron Oh and three months in Bermuda. Ellen loved nature and animals so after retirement Ellen chose to live in a country home near Cazenovia.

Ellen was cremated at Clary Memorial Funeral Home. A celebration of life service will be held in late spring 2024.

“ I worked with Ellen and remained friends over the years. She was a loving, kind and generous woman. She created many quilts and gave so many away. I'm sure she is surrounded with warmth for sharing her warm quilts with so many. Rest in peace, Ellen!

Thank you for that, Margie. I loved Ellen's pumpkins also. I liked the eyes that she would paint with the huge eyelashes. Nobody could do pumpkins like Ellen. I hadn't talked to Ellen for a couple of years, so her death was a surprise. But I'm very glad that I told her how much she meant to me, I had no idea it would be the last time I would talk to her. She was so good to me.
