“ My most vivid memory of Emmogene will always be her beautiful smile which greeted me every time we met anywhere in town. She was SO friendly, so outgoing and always an interesting conversationalist. We also laughed and occasionally commiserated when Shawn and Dee, who were (and still are) best friends, got into the normal teen year mischiefs. She was a grand lady, a devoted mom, and a friend who will be missed by many. Deepest sympathies to Shawn, Steve and their families. I am making a donation to our local charity, "4 Pete's Sake" in her memory as I know she would appreciate knowing that her memorial will continue to help others in our area. Love, Jan

“ I am a niece of Marilyn Williams - grew up knowing the Fruit family so was thrilled when Uncle Ernest married into the family. I remember the good days of visiting Avis and Emmogene and their mother - what a household of love and laughter. It always made my day when Mom and I would run into Emmogene in Richland Center and we would have one of our visits - she was always so upbeat and happy. I was saddened to hear of her health problems the last few years .
May you be comforted by the wonderful memories.

With prayers and sympathy,

“ *Emmogene was such a spectacular person that people are grieving in several different neighborhoods today. She stayed in touch so well with us in Richland County, even after the move from Ash Creek. So many of us have been blessed to know this very humble, compassionate lady. Wherever she was, she brightened everyone's day. She and Harold would visit friends in hospitals and the patients could feel the love and concern. Nobody I know spread Christianity better than Emmogene did. As much as it hurts to lose her, she now will get her full reward. No more being in a wheelchair, there's a party somewhere over the rainbow! Carl Bethke*
