“ My deepest sympathy to Erin’s Family in the loss of their loved one. She was a truely remarkable young Lady. I knew her from working at the Tomah VA. She was such an upbeat person and so easy to talk to. She will be deeply missed. RIP. Erin 🙏🕊️🌸

“ To the family and friends of Erin Hoban Hibma, another Comrade has been called to the high command. She has gone to the commander of us all. She offered her service to our country in a time of national need and is now enrolled in that great spirit army whose footfalls cause no sound. But in the memory of man, their souls go marching on. Because of them, our lives are free, because of them the world is blessed. Our deepest condolences from Bower-Gunnill-Dalton VFW Post 2267, Richland Center, WI.

“ *Erin, you will be so missed. St. Vinnies of Mauston will never be the same with our you. Your happiness was infectious, your laugh was always heard, and you made Saturdays bearable! Not sure how much work you actually did at work... but that didn't matter because you were always the rainbow in the room. I love you! I'll miss you! My prayers to your family.*

“ *Erin , my heart aches for all of us you left behind. We will all hold your laugh that was infectious and the warm hugs you shared with all of us. I will always remember our conversations around the copier and lunch's that we talked over. Hearing your adventures that you had taken. Talking about our kids and how to hold them close and the love you had for them and your mom. You will be missed enormously.*

“ *Erin, I remember over the years at the VA i would be on a walk and I would see you in your office from the hallway and always wanted to just stop in and say hello. Then one day you joined me in RRTP Program and we got to see each other everyday. You were always so kind, always had a smile, and we always had great talks. I remember how much you loved working a part time job in Mauston at the second hand store and I made sure i came to shop when you were working. You will be greatly missed by many. Rest in Peace*

“ My dearest Erin! Your smile, your laugh, your hugs...I so enjoyed working with you at the VA. I was so excited when you returned giving us the opportunity to catch. Our talks were amazing. So, compassionate & smart. My deepest sympathy to the family for this loss. My heart is broken. The stars are truly dimmer with your loss. Rest in power my friend.

“ Erin is my first and truest best friend. She was a firecracker of light, energy, play, fun and mischief. I had a second childhood with her and she was there for it. I never felt more understood than I did with Erin. I remember her a wave of curly hair behind a paperback book (being careful not to harm the spine). As we grew older, in two different states we saw each other less... especially during COVID. My pod was on pretty heavy lockdown and we took social separation very seriously. Once I got my first COVID booster, she was the first non-family member I hugged. I'm glad for that day. She was dancing at St Vinnie's, being silly with her weekend co-workers and buzzing around with her limitless energy. I've never known someone to love errands, like she did... or find such delight in her work, no matter how hard. She also was brave and courageous in ways I can't even imagine. I do not know her children well, but I know they are the light of her life. Keegan and Amelia, I'm so sorry for your loss.
