“ Dear Maureen and family...though I only knew your mother for a short time, she left an indelible memory of such a spirited, yet child like soul who loved strawberry ice cream at night and waited up one night with the innate knowledge that her grandson would be stopping by for a visit. She was my favorite. My prayers to you and your family, Nadine Belohlav

“ Evelyn was such a precious soul. My girls thought of her as a grandma. I always enjoyed talking to her about her garden and sometimes working with her on the hill that seperated our houses. I now own the hill and will try to keep it beautiful in her memory!

“ Evelyn was a great neighbor..always keeping her yard immaculate..I was always impressed!! She was a hard worker when it came to fixing that yard..She's missed in the neighborhood...she was missed when she moved..and she'll always be missed.

“ My friendship with Evelyn goes way back to when she worked with my mom (Carol Vallem) as a Ward Clerk at the RC Hospital. They so very much enjoyed working together. Also, when I wanted to call my mom for something, I always checked to see if Evelyn was working as she was so very pleasant when I called, and it was never a bother for her to get my mom on the phone for me. My friendship then continued when I cared for her, which I thoroughly enjoyed. She was such a dear! Now I imagine her and my mom are up in heaven together, reunited again. Another memory I have is her daughter coming to where she stayed and playing the piano and seeing how much Evelyn enjoyed it. Evelyn was truly a jewel! I will dearly miss her.

“ When I would return to WI, Mother and I would visit Evelyn. I remember once she was working on a sewing project that I admired. After Mothers passing, my sister June and I stopped by, the last time was after she had left her home with those long steps to the front door. May she rest in peace. I'll be thinking of you on Saturday even though I can't be with you.

“ Evelyn was a sweet lady to know. She always made me feel very welcome in her home. After visiting for a while she would invite me to play her keyboard. I played church hymns she knew and she always enjoyed that. She shared family photos and stories. Her doilies she made were beautiful. Before I would leave we had a dish of ice cream. Thank you Evelyn for having Maureen whom has been a great friend of mine for nearly 40 years and a real blessing in my life. My heartfelt sympathy to Maureen, Bill, Marlin and families.

“ We will never forget Evelyn as she had the most tender sweet smile and always enjoyed a visit. And always a treat to see her daughter Maureen with her as well. She felt just like your own Mom with her caring and loving hospitality. It was a pleasure performing for her and her friends at Richland Center with the Cazenovia German Band. I know she enjoyed it so much. God had another angel in heaven now. Sleep sweet Evelyn. We will miss you with love, Patti Farber
