“ Today I said goodbye to Florian at his final resting place in Chippewa Falls. He will , however, live on forever in my heart and memories. I will remember how he loved riding the train in North Freedom. He liked going on rides. One ride in particular was to Ladysmith. We went there to meet with his guardian. He sang most of the way there and back. It was such a great day. I will miss him so much. Love you Florian- Rest in peace my dear friend/brother.

“ What a blessing this completely unpretentious, enigmatic man was in my life. I was privileged to partake of his small world as one of his caregivers. Not a day passed in this short year that his little charms and songs didn't bring a smile. Shrouded in mystery then, as now. Dear Florian.

“ I'm so sad to hear of Florian's passing. He had such a peaceful wonderful soul...always taking everything in around him so quietly and so observant. One thing is for sure...he was surrounded by a family that loved him dearly! Thinking of you all during this hard time. Love Krystal
