“ My father passed away while I was still in grade school. When I turned 16 and was eligible for a drivers licence I had no one to turn to for practice and testing. Father Keating heard of this and spent time teaching me, with his own car, how to drive (with a stick shift!) He went with me to the Drivers License Test and, by the power of the prayers I am sure he was saying at the time, I passed. His transition out of La Crosse came suddenly and I never got to see him again and to thank him for all these years of successful driving. But he is in my mind often, especially whenever I renew my license. My sincere condolences to his surviving family and to all who knew him closely. A very generous, wonderful man.

“ My husband, Tom and I send our sincerest condolences to Fr. Keating's family, friends, religious and clergy. We loved him dearly and will always cherish his holy priesthood that had enriched all our lives here in Pennsylvania and beyond. He had shared with us that Cardinal Burke was his altar boy. Cardinal Burke celebrated the Divine Mercy Sunday at Our Lady of Czestochowa Shrine in Doylestown, PA a few years ago. I waited in line to greet him and kissed his ring and mentioned Fr. Joseph Keating to the Cardinal as being his altar boy. He had remembered Fr. Keating and had a big smile on his face. Requiescat in Pace.

“ *Father Keating was introduced to me by my brother David, who himself passed away nearly one year ago (October 29, 2017). Father always engaged in discussions with whomever was nearby. I would enjoy the way he would recount his days in the Navy or schooling, etc. and tie a practical life lesson from the perspective and teachings of our Lord. May Father be in the arms of our gracious and merciful Lord, whom he Loved and longed for. Rest in Peace Father. God Bless you.*
