“ Word's cannot express our sympathy for your families. Francis was a great man and will be sadly missed. I am thankful for some of the funny childhood memories that included Francis. One fond recollection was his "guard goose" that would give chase to rambunctious teens. Francis had quite a few chuckles watching us try to out maneuver his protective pet. I am thankful for so many wonderful memories.

*With caring thoughts,
Julie*

“ Our deepest sympathy to you Virginia and all your family at the loss of one great man to know. Mike said he recalls many good times with him in their "younger" days before both of them were married. He said some of them were with a quarter barrel near by! Prayers to all.
