“ I met Gary at one of Wilkinson's auctions many years ago. A good conversation was always had, and I never knew quite what to expect. I knew he'd be around anytime I attended an auction or one of his sales. He was a good friend. My thoughts and prayers are with Connie and family. Rest In Peace, Gary....

“ *Oh my Gar-bear how I will miss your smiling face walk into Honkers daily. You were the easiest customer to please and one of my favorites. The day before you went to the hospital you brought a old wheel into the bar and asked me to try and help you figure out what it was per google and we couldn't I was so anxious for you to come back in someday and be excited to tell me what it was. Now it will forever be a mystery and drive me crazy. Rest in peace Gary until we meet again. Hugs to Connie and the family!*

“*I remember right after you and Gary and Cliff and I were married and we lived in Madison not to far from each other and we played cards at each others house all the time and watched Tammy grow. Then we all moved back to Muscoda and Cliff and Gary worked together in the woods. They went out west on hunting trips and had so much fun. We will miss him so much but he is resting in peace now.*
