He was preceded in death by his parents, Henry and Carol; and his second wife, Kathy Walker.

Geoff will be most missed by his friends and family for his sense of humor, love of food (especially all you could eat buffets) and his melodious birthday songs. We all looked forward to his phone calls to hear about his croquet

matches, the dinners that he cooked and his adventures with Marlene. We may never be able to scrub his dirty jokes from our minds, but would we really want to??

Upon Geoff's request there will be no formal funeral services. The Clary Memorial Funeral Home is assisting the family with arrangements. Online condolences can be made at www.clarymemorialfuneralhome.com.

“ So many good memories it is hard not to want to share them all, but one is really special, I can't remember what year, it was Christmas and Geoff called me from the truck stop so I drove down and picked him up. We went to my moms house and had a wonderful Christmas dinner. Mom, being who she was, disappeared for a while and came back with a beautifully wrapped present and put it under the tree for Geoff. He called my mom every year to wish her a Merry Christmas right up to her passing, being who he was.

“ I once asked Geoff where he considered home since he was raised in several countries. He immediately said Sweden, and, as a child, that was where he was happiest. So Geoff, here's to you and your memories of Sweden and our memories of watching you play croquet on Madeline Island.
