“ *Dearest Carolyn, I'm so sorry for your loss. You and George were always a perfect couple and will be again one day. My favorite time with George was the trip up to Ironton for the bike party. I hope you'll always look at the pictures I gave you of George and enjoy them. I'll miss George's bounty of wisdom and his stories. Most of all I'll miss him. Many Blessings to his family and loving wife Carolyn.*

“ George and Carolyn have been our family's neighbors and friends since I was a small child. He and my father, Dave Carr, were great friends. My condolences go out to Carolyn and his family. I am sure that George and my dad are hanging out again up in Heaven, and that makes me smile. Still, I'm so sorry for the family's loss.
