“ *It was my pleasure to be Graham's doctor. He was a delight to have in the office with his thick sideburns and loud laugh. He was always joking and smiling. When the time came to talk to him about serious news, he accepted the news with grace and continued to have a very positive attitude about his life and health. I will miss him.*

“ *I was very blessed to have met and spent valuable time with Mr. Graham Kelly. My deepest sympathy's to sweet Carol. He sure did love you Carol!!*
I will never forget Mr. Kelly. He was one of a kind. The world was a better place with him here. I remember very clearly the last time I saw Graham. I can tell you exactly what he ate, drank and where he sat. I also remember his last story he told me....I told him I didn't like that story and i couldn't wait to hear the story again with a great ending. He laughed his signature laugh and said ok! He never got back to telling me the ending. Rest in Peace Graham. You have a spot in my heart, always.
