“ I am sorry for your loss Arm's family. I remembered Dave as a great person who was genuinely nice and helpful. I will always remember the time he came to Muscoda to get me and my bike so me and Aaron could ride around boscobel...I remember him as always willing to help his kids and I am sure he will be missed. “ Sorry to see your father or brother passed on. At least now he isn't suffering and is with all our relatives in Heaven.
THat darn cancer sure gets a lot of people and a lot of our relatives. I always wondered where Johnny's family went when you got of age and moved away from home My dad was Bill Hoekfe and he was Johnny's uncle and Don Hoefke was a uncle too. I called around a few years back and I got in touch with a Jim Arms But he wasn't the right one but he gave me Jeana's number so I called and had a real nice talk with her. Sure would like to see everyone again. So I was wondering if one of yous would send me your addresses. Either e mail me at djw310@yahoo.com or send message to me on face book. Thank you for doing this. and again I sorry to see another relative left us so young. Hope to hear from you.
