

Helen F. Shireman

November 17, 1919 - December 18, 2016

Helen F. Shireman, age 97, of Viola died Sunday, December 18, 2016 at Schmitt Woodland Hills Health Center. She was born on November 17, 1919 the daughter of Hugh F. and Mary (McAnally) McNelly in Chicota, Texas. Helen was united in marriage to Ralph H. Shireman on July 20, 1940 in Waukon, Iowa.

During their years on their Ash Ridge farm, Helen helped Ralph on the farm and raised the children. After the children were older, Helen worked at the cannery in Hillsboro and the mink plant in Hillsboro and Viola. She decided to go to school to be a CNA and worked at the Vernon Manor in Viroqua until her retirement. After retirement, Helen enjoyed watching her grandchildren in sports. Whenever someone needed her she was there to babysit or to help out.

Her favorite hobbies included cooking and baking especially at Christmas time, you could always expect to find cookies and her husband's favorite chocolate covered cherries. Whenever you went there you knew she would have something good. She also loved her birds and gardening. Her flowers were beautiful. She loved watching the Green Bay Packers especially when Donald Driver was playing. She was always a joker and enjoyed making people laugh. She meant so much to all of her grandkids.

The last few years were spent at Schmitt Woodland Hills; she had a beautiful view of the hills and could watch the deer and birds. She made many new friends there. Thanks to the staff at Schmitt Woodland Hills for making her last

year's enjoyable and to Dr. Tom Richardson for everything he did for her over the years.

“ Many memories of my Aunt Helen. Kristi and I were only a few days apart in age and became fast friends. I loved to go to their house to play with Kristi's Barbies. She had all the cool clothes and shoes.

I remember staying over, sleeping with my cousin Kristi, going to bed but peeking at our parents through the floor grate into the kitchen and just listening to them talk. We thought we were sneaky, but I'm sure they knew we were there.

My Aunt Helen made the best food. Mom said it was just like Grandma McNelly's. One favorite dish I remember was a hamburger mushroom casserole that Aunt Helen used to make with the morel mushrooms we used to get from the woods. I wish I had that recipe (hint, hint Kristi, Cindy?).

I remember being disappointed when they added a bathroom onto the house. Still remember the enamelware pot on the stairs. I used to think it was pretty cool using the outhouse, unless it was dark".

I remember my Aunt Helen speaking her mind and being a little sassy at times. Mom used to tell me that I reminded her of Aunt Helen because of that. I'll take that as a genuine compliment 💕

I could probably go on and on, but all of the memories are great and emblazoned in my mind forever. May you dance in the clouds with the Lord in heaven; along with my mom, Dar and Uncle Ralph.

God bless the Shireman family 🙏

“ I will never forget when Kristi and I were little and we would dress up with high heels and take our dolls to the corn crib across the road to play house. Their rooster would chase us and we were terrified of him. One day he chased us to the house and we ran, high heels, dolls and all. Kristi fell and the rooster started pecking at her. We were screaming and here came Helen out of the house and down to the road swinging her broom. She shooed the rooster away and saved us scared little girls!

There are so many fond and fun memories Kristi and I shared on their farm.

I also remember all of the wonderful meals. Helen was an awesome cook.

I hope this memory gives you some warmth as I know all the memories you will share with each other will help you through this time of loss.

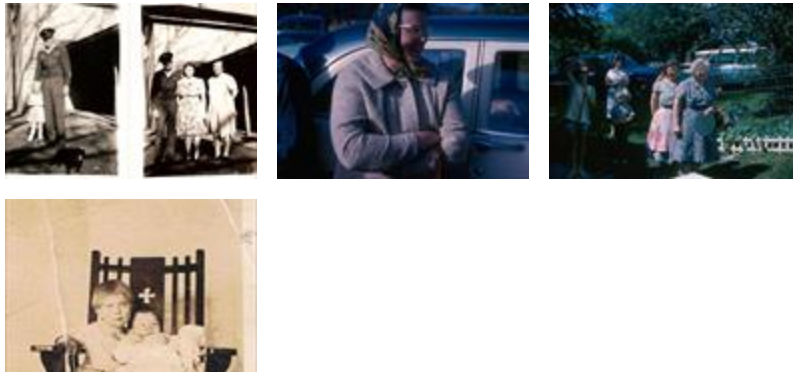

My thoughts and prayers are with you all.

“ Helen always treated Chuck & I as if we were family. She welcomed us with welcome arms and sowed us the love she showed her own family. I cry with the thought of her passing. So warm and generous. She alerted us to the fact that our current farm was vacant. Without her, we may not have purchased our farm on Janssen Ridge. I shot my first and second deer right there in the orchard. When I started, I was the laughing stock of hunting camp, but oh what pleasant memories were made there. My first "tree stand" was an old chair that had been retrieved from the dump and hung in the branches of the maple tree, right there by the dump. We all still laugh about that. Nothing but plant memories with Helen and all the Shireman Family. Love to you all.

“ I loved your momma. She treated me so well when I was visiting my grandparents. I always wanted to walk to your house to visit. I saw Helen one time after we moved to Texas. That was at my Grandmother's funeral. I got the biggest hug from her. It's so hard to have your mom leave. Hang on to all the wonderful memories and share them often. “ I shot my first deer behind the house standing next to the old manure spreader. Will always remember spending nights on the floor with the heater on high and the TV loud and Helen yelling at Ralph to stop talking. One time we ate all the food at Thanksgiving before the adults sat down. Will miss the humming birds. She was the highlight of coming down to Ash Ridge, rest in peace.
