“ I met Herb for the first time last week when I visiting my grandfather at Pine Valley. I thought I recognized him, but wasn't sure. He certainly made a big impact on my father and myself, having been associated at one time with our family's business, Koch Tractor, Inc. How sad we both were when one day we saw him, and the next day he was not there. It was only when we asked the nurses the next day that we learned of his passing. What a man, so upbeat in the face of his obstacles. I will never forget the empty feeling we both felt when we learned why his place at the dinner table was empty. Rest in peace, Mr. Hansen, we will miss you.

“ From the first time that I met Herb in the rooms, he instantly became my friend. I will never forget his kindness, sincerity and hospitality, and I will sorely miss the times that we will never get to share. A good soul never dies, but lives on forever in sweet memories.

“ Herb helped raise me which I started at Central Tractor in 1979. He survived so much and shared what he learned to make life easier for others. Ruth and family you gave Herb his softer side. “ *Ruth and family my heart goes out to you at this time of sorrow.*

May God be with you.

Herb had a great sense of humor, and I learned a lot from him in the years we worked together. When I started at CT I shared an office with him known as "The Penthouse", it was an portable room located above the other offices.

He had a string of Christmas lights in the shape of M & M's.

He put those up all the years I worked with. We worked together from 1996 to 2007.

It was always fun to see him and his motorcycle when he would stop by after he had retired.

“ *To the family of Herb Hansen,*

I worked with Herb at Central Tractor in Des Moines, Iowa. He was always a friendly fella and a personable fella. He will be missed as I just recently found him on face book.

Please accept my condolences for the loss of this wonderful man. He proved he had a heart of Gold and now he is walking the streets of Gold with no pain and being the gentleman that he was. I will miss seeing all the pictures he posted of his rides with you and the pictures of all his special family. Love to all of you and may God help you through this sadness.....

“*Herb was my friend, my teacher, and my guide in this new life of mine. He came walking into my first AA meeting in Feb. 1994. He was the real deal and I could see that. I started listening to his advice and things got better. I could call him when life got difficult and always felt more in control afterwards. I cried when I got the word on Monday. Grown men DO cry. We knew it was coming but somehow knowing doesn't help. My health needs would cause so many problems that I know I can't go Saturday. But I'll be there in my heart and mind and Herb knows that. Goodbye for now my brother. See you when I get there.*

“*Herb came into my life 25 years ago and I knew he was going to be a winner. He gave the best hugs. You couldn't help but smile and laugh when he was around. He faced his cancer with dignity and grace. Now he is pain free and in a better place.*

My thoughts and prayers go out to Ruth and his family during these times. I know what it feel likes to have a father and husband pass and can only say that you will never forget him...but your memories will always be there.

Thanks for sharing him with us--Frannie Quirk
