“You back again?!!” I would hear Jim's raspy voice tease, calling out to me as I showed up to visit mom at Harvest. I often teased back that I brought my dog grooming supplies and he was next in line for a haircut and beard trim.

Jim was a continual encouragement, jokester, and friend each visit. He helped "new arrivals" transition into their "new home" and assisted those he befriended, often pushing them up to the table for meals, giving a kind word when needed, and using humor to defuse a frustrating situation.

When my brother brought mom's little dog each week for a visit, Jim would parade her around on the seat of his walker, bringing such joy to the residents. He was such an integral part of their daily lives. My heart hurts for his family, for the Harvest staff & residents, and for those of us who looked forward to his cheerful greeting each visit.

May we all take the time to have a positive impact to those around us as Jim tried his best to do each day. Praying peace & God's comfort for Jim's family now and in the days ahead 🙏

“ Though I only got the opportunity to be friends for the past year I felt I met a very special person with a huge heart a soul to match. I would buy him scratch off tickets for all the help he gave my mom.

“ Dear Haimerl family, I don't know how many of you know that Jim was the very first person I met after moving to Wisconsin from Chicago. He told me about various things to do in Oconomowoc, one of them being the lakefront concerts. on Wed.eves. So I went to one and here comes Jim pedaling his bike, he found me. That's where it started. I had the car and he was my very own personal GPS. We had a wonderful year going places, spending time with his family and his mom. We drove to Oklahoma to visit Jim's son and wife, and grandson Keaton! It was a great time. I loved him. Sending you all my love and prayers as I am saddened to hear of Jim's passing. Hugs to each of you, Jan, Greg, Patti, Barbara, Karen, Susie and Gary. It was a great pleasure knowing you all and your beautiful mother Zoa. who by the way is telling Jim right now to get a haircut! 😊❤️🤔😘🙄😞  
Love and hugs to you also Johnny, April and Keaton!
