“ Our family has such good memories visiting Jimmy and Ann's farm. Always great food and conversation. We played the card game in between with a penny ante. Grandma McNelly loved to play but, sure didn't like to lose. We went out above the house on a clear night and watched the sputnik orbiting the earth and witnessed history in the making. The party at Frannies in Hub when Jimmy was elected town chairman was a fun time. Those of us who knew Jimmy are truly blessed. We will miss him and may God hold him in the palm of his hand. “ You will be missed...The best auction I ever went to was with Jim. Jim, my Dad and myself went to my uncle Bob Shiremans auction at Joe and Kristi Durst's house. Since we were family we had VIP seating and had the opportunity to enjoy a cold beer while attending the auction.

*I ended up buying more then I thought I was going to buy...However, It was the best aution ever!*

*My thoughts and prayer go out to you!*

*Love,*

“ *Our sincere condolences and prayers to the entire Kaderavik family from the Perkins family in Texas.*

*To be sure, we have lost a good man in Jimmy Kaderavek. I hold very fond memories as a child tromping around the farm, fishing on the pond, and my parents playing cards around the table with Jimmy and Ann after all the chores were done and a wonderful meal had been served.*

*It was simpler (and refreshing) times--before the advent of cell phones, computers, and cable tv into our lives. Jimmy always had a warm smile to share with everyone and a humble down to earth presence that made you feel welcome.*

*The world would be a much better place with more men like Jimmy Kaderavic and he will be missed by all. Gratefully, the fond memories live on forever. May God rest his soul in peace and provide strength to everyone to carry on.*

*All Our Love.*
