“ Janet was one of the kindest nurses. She loved her work and dutifully carried it out. Her smile was healing.

“ My sincere condolences to Janet's family. Janet was a wonderful workmate, compassionate nurse, great sense of humor and a joy as a friend. After I moved to Idaho and would return for visits we would try to get together for a meal and lots of giggles with some of the other nurses, I was so sorry when my calls and notes went unanswered and we lost touch. My memories of working at Ingleside with Janet are priceless and I will treasure them always. I have images of Janet tending her goats, she sure loved her animals.

“ Janet was so very kind to my father at Ingleside Nursing Home. She always showed him such respect, and she was the only care giver from Ingleside who took the time to write a very thoughtful sympathy note. Now I send you my sympathy; Janet was a dear and compassionate woman, and I am grateful to have known her.

“ To the Allison's.  
As a friend of the family, please know you are all in my thoughts. To Bob, as an almost life long friend, we have grown up together & known each others families, and I think of you as a brother. I share the pain of your loss of your Mom. May she rest in peace.
