“ She was an awesome great grandmother always when I first got to her house she always made me give her a hug. The last time I saw her alive was when she was in the hospital the day before she passed away. ”

“ My grandma was a big-hearted and very sweet woman. I looked up to her with anything and everything she did. I know she is missed very much but her suffering is over. I'll never forget when she would go outside with the phone and yell "Sonny!" I miss her so much but I know she is looking down on us with pride. ~Brooklynn Granger ”

“ I saw Aunt Jan and had nice visit with her over 4th of July weekend...I told her how much when I was a kid that I always looked forward to family birthday parties as I knew she would be making her famous homemade pizza!!! No one has ever made them better than her! She smiled saying thank you and told me still makes them! I moved away after school so when I came back to visit I would often see her working at Walmart. She always had a big smile and hug to share while asking about my daughter and me. Aunt Jan would proudly share all the latest updates on Uncle Sonny and my cousins. She was a special person with a lot of love in her heart no matter what. I am thankful I had that time with her recently as I will always remember that and her with a smile in my heart. She will always live on in our hearts and times shared together over the years. I am sure she will proudly be watching over her family from heaven with love and pride. My heart goes out to Uncle Sonny and all my cousins...We were all very blessed to have her in our lives. May God bless & be with all of you during this difficult time. With Love & Sympathy, Heidi Olson Billings

“ My sister Jan was a very special person. Did we always get along? We had the usual spats that sisters had when we were young. But as we grew up and I moved away, the sister bond became so strong. She always made me feel that I was someone so special when she was truly the special one. She loved her family and husband with her whole heart. I was jealous of her because of the love and friendship she had with her husband and entire family. She was the bond that keeps a family together. I will miss her hugs and her laughter. I will miss hearing her yell "Sonny Huebsch" every time he teased. Jan never had much in the way of material things but that was not important to her. She was rich beyond measure in love and she spread that wealth where ever she was. I love you Janice Marie Huebsch. I know that you are with Mom and Dad, Sonny, Sharon, Bea and Dan and all the many others who are up there with you. May you rest in peace now that your suffering is done. Your loving sister, Gloria

“ *Jan was a wonderful mother, grandmother, great grandmother. She babysat my youngest for almost a year, .before she was old enough for kindergarden. She was a "adoptive mother" to all the 4-h kids, etc.*

She spent many hours with the ball team "sonny's Trucking" My husband and children all played on that team for many years. Lot of memories.

My sincere sympathy to Sonny and the entire family
