*Jo brought much laughter and fun to the quilting retreats at Homestead Cabin. She was great at troubleshooting when someone's sewing machine was not working properly and loved to help prepare meals. We remember her fondly and speak of her often. With sympathy.

“ *My thoughts and prayers go out to JoAnnes family. I took care of Katherine Joann's mother. Through my time with her I was honored to have met Joann and her brother Ed. I am sad to hear of her passing. May you all find peace and comfort in her memories of her.*

“ What a wonderful lady Joanne was. We shared many quilting hours together at the retreat. But more than that, she always was full of wit and wisdom. Many will miss her smile and laughter. Hugs to Ron and Chris and Ed and Gavin. You are such wonderful caregivers and I am sure she appreciated ALL you did. Blessings

“ We have such great memories of Jo. Cam used to love to batter back and forth with Jo when he worked for you guys. Chris was just a young girl then. Jo was one of the sweetest most caring people I ever met. When my stepfather died and the movers were coming to pack us up to move to Florida. Jo said not a problem. Jo came over and the movers fell in love with her. They thought she was great to work with. I will always treasure my time with Jo. She even helped me shop for our kids weddings and really helped with Tonya's wedding the day they got married. If you knew Jo you loved her.
