“ Dear Jody:  
*I just found out two days ago that you passed away in April of 2019. I am very sad to hear this. It distresses me that i did not get to see or talk to you in the recent past.*

*You used to be your uncle Russ's and my little girl, as when you were small, we would "borrow" you from your parents, Lloyd and Rhea, and bring you to our home for overnight stays. You loved to take long showers at our house.*

*i hope you had a happy life.*

*i never forgot you, jody, and i never will.*

*Love,  
Your aunt Sue Schuetz*
