“ This space is e to small for all the awesome memories we had with John and Sharon. We had some great fishing trips. We took trips out west and other fun places. Every one was a great adventure. John was a fun person who had fun wherever he went. He came and took videos at Christmas. He loved to take pictures and has many albums. He loved his family and was so proud of the kids and grandkids. Sharon was always his rock!!! We will all miss you, but the memories will never be lost. RIP our dear friend.
