“ We chose the Granddad candle because to our family Joe always has been and always will be Grandpa Joe. Brandon and Matthew learned so many wrestling lessons from him and have always gotten the biggest kick out of him. Grandpa Joe was a key person to them when they started wrestling and they still have the medal holders that he made for them. So many memories that we will all cherish forever. RIP Grandpa Joe we love ya and will miss you.

“ Sharrey & Family,

We are so sad to hear about Joe's passing. He was an amazing man and will be greatly missed! Joe always had a smile and helping hand for everyone.

You are all in our thoughts and prayers and if there is anything at all that we can do, we will be there for you.

Much love from one wrestling family to another!

“ Sharry and family. Ann and I are saddened by Joe's passing and send you our condolences and prayers. Bernie Quilan mentioned that Joe was very sick. A few memories. Joe was always smiling and was always "gaining on it" when asked how the job was going. He was a great worker, dependable and an all around nice guy. He and Bernie made a great team. I appreciated his many years of service to our company as an independent subcontractor. He is missed. Our thoughts are with you at this difficult time. Ann and Fritz Seybold
