Juan Carlos De La Cruz Lopez, age 56, of Richland Center, WI, died Wednesday, January 17, 2024, at the UW Hospital from injuries sustained in a work accident. Juan Carlos was born in Mexico. He grew up and was raised in Concordia Coahuila. When he was 14 years old he started doing seasonal field work with his father in Arena, WI. After many years of traveling back and forth to Mexico and Wisconsin. Him and his wife decided to bring their kids to Wisconsin to give them a better life and live the American dream. He was the life of parties and was always the first one to hit the dance floor. He was a very hard worker and was always helping others even if he barely knew them. He sacrificed not seeing his family in Mexico to give his family a better life. He always lightened everyone's mood as soon as he walked into a room. Every time he saw his grandchildren he always got a hug and a kiss from them. And he always told his family that no matter what happened he was never going to leave his family behind. He will be greatly missed by his family and friends.
