

Kenneth Lee Bingham

April 26, 1970 - May 8, 2013

The world has lost one of its shining stars. Kenny Lee Bingham left us on May 8, 2013. Ken was a charismatic, fun loving, hilarious and giving man, a friend to everyone he met. He enjoyed hunting, fishing, poker (Kayla says he cheats), gaming, and playing with his children, grandchildren and nieces. Home repair and remodeling was a couple of his favorite activities. You would never know what the layout of his home would be from one visit to the next.

Ken was a wild and fun guy that faced his death with hilarity and sarcasm. He was a deep feeling person, but his sense of humor was one of his most valuable assets. Ken was born April 26, 1970 in Beaver Dam to Kenneth and Nancy Bingham and was the oldest of four children. As the oldest he led his two brothers and sister into trouble and good times. They were always willing to follow anywhere, whether it was a wise idea or not. Ken took his sense of humor into the parenting role with him. He was a joker and a playmate with his kids. When they went too far he would have to let them know and it always started with "I am serious, I am not even joking!" Ken will be missed by many and the world is a dimmer place without him.

Survivors include his 4 children Nicole Sillman of Richland Center, Kendra (Zach) Bolstad of Menomonie, Kayla Bingham of Sextonville, Keegan Bingham of Sextonville; 5 grandchildren Lilly, Annette, Addy, Nevaeh, and Nova; parents Kenneth and Nancy Bingham of Lone Rock, brothers and

sister, Michael Bingham of Sextonville, Becky (Andrew) Durst of Richland Center, Jason Bingham of Lone Rock; grandmother Geneva Grimesey of Lone Rock; nieces Abby, Anna and Allis Durst; special friend Brenda Inman of Richland Center.

A Memorial Visitation will be held on Thursday, May 16, 2013 from 6:00 PM to 9:00 PM at the Clary Memorial Funeral Home in Richland Center. Memorials can be made to G.R.A.C.E. On line condolences can be made at www.clarymemorialfuneralhome.com

“ I want to share my heartfelt condolences with the loss of a true family member in every aspect and a strong man with a big heart who is my brother and will forever be a big part of my life.Kenny and I were very close growing up and we would let our imaginations soar with a new adventure one right after the other and even if the adventure was not what we expected he would find a way to make those adventures the best ones which always made it worthwhile ofcourse would we expect anything less from him lol.I loved Kenny more than any friend in this way and we very much had the safari attitude together and anything we did not like about our safari no matter what,where or when we would just change it to fit nicely for the benefit of all to share with us.He was fantastic at finding ways to make everyone happy and I think this is what his mission was in life.If he coyld put a smile on someones face lol he was very happy.I wish him eternal love and peace.My deepest sympathy for all his family members for our loss.

“ *Kenny was a friend and a valuable person to me and Herdor Park. He always was there when needed, did the best work at the most reasonable expense and took pride in what he did. As a friend, Kenny was helpful with anything one needed and always had my best interest in mind. We helped each other in many ways.*

Kenny never gave up, believed in God and I told him that I'll see him in the resurrection. Sleep, sleep dear friend as God will remember you. He will be sorely missed and was loved by many.
