“ Ken was a kind man with a great sense of humor. You felt like he was someone you can sit with and just talk about anything. He tells you exactly what he thought and when you least expect it he would throw in a joke that make everyone laugh. Often time I felt like Ken was taking care of those around him by making everyone laugh. Ken will be missed.

Ken, along with Jean, was always ready to help in the activities of Wisconsin Working Stock Dog Association and helped set up equipment for the stock dog clinic at Richland County Fairgrounds. WWSDA was conceived and organized at his kitchen table! He always had a companion dog to help with the cow chores. We enjoyed learning about nature from Ken, especially in the first years when we moved to the countryside. Rest in Peace, Ken. Hugs to Jean and family.
