“ Lots of memories of Sunday dinners at grandma's with Johnny and in the earlier years when we were all very young our families getting together for the holidays at grandma and grandpa's. We had lots of rummy and euchre games and wonderful food.

“ Sorry to hear about your Dad. You Dad was quite the guy in many ways. I do have some very good memories of the summers growing up. He was always willing to move road signs around on old Uncle Earl with us. Remember the good times they always make you feel better. Thinking of both you boys and your families.

“ I am so sorry for your loss Tim. Your family are in my thoughts. I wish I could provide you with words or actions of advice but I am not really the best person to give that right now. I remain your friend after 30 years and we share a friendship I am fortunate to have. Best wishes for this difficult time and I hope you are able to get through this difficult time.
