“ I'll never forget the first time we met Kody. A few years ago we were invited over for Thanksgiving to meet the whole family! My daughter was only 5 and she just fell in love with Kody...poor guy! That whole day she followed him around. The typical teen he was, he was trying to play video games, but she didn't care, she kept trying to get him to play with her. I think he finally realized she wasn't going to give up and next thing we knew they were playing-I think it was a game or sword fighting or something. He was so sweet, instead of getting irritated with her he played with her! I could immediately see what an incredibly soft hearted man he was!

“ I met Kodi at RCHS years ago. He was so goofy and sweet. Anytime you needed him, he was always there! I remember when I told him I was engaged and getting married, how excited he was. Whenever I'd see him, he'd always grin widely and say hi. You couldn't help but be happy when he was around. He was a great friend and I'll miss him dearly. Kodi, thank you for all that you did for me. I'll cherish the fun memories!! Rest In Peace, buddy.... My prayers and sympathy to his family....
