“ I remember Kyrie’s smile the most. He was always smiling when we were in the hallway going to other classes. His eyes were the bluest of blues. I know he and Korey will be kicking back in Heaven and will be there to greet us again some day.

*My heart breaks to hear of Kyrie's passing.
Most who read this won't know me.
My family grew up with Kyrie and his twin brother.
My mom and their mom were best friends for years.
To me and my siblings the boys were like our brothers.
We did so much together. They came to our farm and helped during
hay season.
I think my fondest memory was our road trip to North Dakota with your
mom for the national final rodeo.
Sometimes I wish we could turn back time and go back to those simple
days.
Thanks for the memories Kyrie. Even though we have been miles apart
for years we have remained friends and kept up through FB.
God bless your family during this time of grief.
You will be missed my friend but our memories will keep you alive in
our hearts.*
